

EFA MANAGER

DEADLINES

Efootball Federal Association

PLAY • COMPETE • REPRESENT

| When Fixtures Come Out

- Fixtures are released by the admins. When a tournament's fixtures go live, every match gets its own date rather than a fixed weekly slot.
- Matches are spread across consecutive days (up to 8 per day per tournament, and **max 1 match per team per day**), so check your fixtures every day.
- **Daily reminders.** You'll get a WhatsApp reminder for the matches due today. You can also ask the AI — "check fixtures" — or open your fixtures page on the website.

| Match Deadline

- Every fixture must be completed by **14:00 SAST** on its own date.
- There is **no weekly "Sunday" deadline** anymore — each match is due on its own day.
- Play and submit your result **before the deadline** to avoid a walkover.

| Opponent Not Showing Up

- On match day the **Report Waiting** option is available from **13:00 to 14:05 SAST**. Only use it if your opponent hasn't shown up for the fixture. (See the Rules page.)
- At **14:05 SAST** the EFA settles it automatically: if only one side reported, that side gets the **3-0 win** and the other side gets the auto-loss.
- If **neither team** reports, the fixture is recorded as a **0-0 draw with no points**. Repeat offenders face a hearing with the admins.

| Backdoor Window

- If your opponent isn't responding, you can claim a **backdoor (free win)**. The backdoor window opens on **Thursday**.
- Submissions expire on **Tuesday** — after that they can no longer be processed.
- **How to apply**. Reply **2** at the EFA AI's menu — or send "backdoor" — and follow its steps. Admins approve or decline it with a WhatsApp notification.

| Submitting Results

- Results are accepted for matches due **today or up to 7 days back**.
- A result for a **future** match is saved and **auto-confirmed at 00:00 on match day**.
- Matches older than 7 days can't be submitted here — send the screenshot on the match day.

| Forfeits & No-Shows

- A forfeit means a loss for the forfeiting side — the winning side gets the win with a **+3 score adjustment**.
- Season-end: the forfeiting team takes a **-3 goal difference penalty**, and the forfeit score carries over to the next meeting between the same two teams.
- A club with no manager (a vacant seat) **auto-forfeits 0-3** each round; two vacant clubs get a 0-0.
